PREFACE TO 1919-20 EDITION.

WE have again diligently and carefully collected and arranged useful information regarding Buteshire as it is to-day—with its Officials, Householders and Business people—and once again have pleasure in giving the compilation the honours of the Press.

Notwithstanding the strain, economies, and considerable increases in the prices of material, labour and concessions consequent upon the Great War, we have made sacrifices to produce our Directory as full as formerly—but we had to advance the tariff.

As our Advertising friends appreciate the continued distribution of their announcements facing the ordinary reading matter, with prompt receipt of orders, we keep permanent this decided benefit.

This DIRECTORY is not only at hand for reference at all times throughout the whole county, but it is also ready for reference in the public libraries of Scotland, England, Ireland and Wales, and also in numerous business houses and agencies in busy centres ; and we are particularly anxious that nothing of benefit to Buteshire be omitted, but that all interests have a good show, and everything be brought thoroughly up to date.

[For a number of years we have corresponded, by the International Language, with persons in all civilised lands, and in our spare pages we give glimpses of our experiences—which we hope will be interesting and instructive.]

Our best thanks are again accorded to those who have in any way helped us in this compilation. It takes long and careful vigilance to ascertain and give effect to the continual changes. Notwithstanding the upheavals of the great world war, our country as well as the glorious British Empire still remains intact ; and will, by righteous and strenuous endeavours, recuperate, and assist the world to make up for the “years that the locusts have eaten,” and are not yet satisfied.

"One of the most gratifying messages of good will that has reached us this season comes from Rothesay, Scotland, in the form of a 'Heather Christmas Card' issued by Messrs Higgle & Co., of that favourite resort.

The two inside pages are surrounded with mottoes, every one of which breathes a true Scottish sentiment of good will to absent relatives or acquaintances. Along with this card Messrs Higgle & Co., send us a copy of their guide to 'Bonnie Scotland's Resorts,' a wonderful little compendium of descriptive and historical information."—*New Zealand Times*, Wellington.

COUNTY OF BUTE.

THE COUNTY OF BUTE comprises the seven islands in the Firth of Clyde, viz. —**BUTE**, the most populous; **ARRAN**, the largest; the **GREAT** and **LITTLE CUMBRAES**, off the Ayrshire Coast; **HOLY ISLE** and **PLADDA**, off Arran; and **INCH-MARNOCK**, off Bute.

The total **AREA OF THE COUNTY** (land and water, exclusive of tidal water) is 139,658 acres, of which 53,510 are mountain and heath lands used for grazing. 3,806 acres are under plantations, and 794 are covered with water. There are 25,981 acres under all kinds of crops, bare fallow and grass, which is a gradual inroad on the mountain heath and hitherto uncultivated land.

The principal **INDUSTRIES** are agriculture, horticulture, and fishing. The islands possess great and varied natural attractions, and are in the forefront as holiday resorts.

The **Population** of the COUNTY (including its Burghs of **ROTHESAY** and **MILLPORT**) in 1801 was 11,791; 1831, 14,151; 1861, 16,331; 1881, 17,657. In 1891 it was 18,248 (8,057 males and 10,197 females); and in 1901, 18,786 (8,412 males and 10,374 females)—being an increase of 255 in the ten years—2·1 per cent. There were 4,270 inhabited houses in the islands.

For 1911, the figures were as follows:—

	Males.	Females.	Total.	Revised total.
Arran - - -	2,169	2,402	4,571	4,628*
Bute (including Rothesay)	5,081	6,781	11,799	11,851
Cumbræ - - -	704	992	1,696	1,707

*The increased total issued in the Quarterly Return of the Registrar.

General compared with the returns lodged with the Sheriff-Clerk, may be accounted for by the enumeration of the shipping.

The decreases since 1901 are as follows: Arran, 209; Bute, 330; Cumbræ, 62—total 601.

**SHORTHAND,
TYPEWRITING,
ESPERANTO, AND
BOOK-KEEPING.**

MR HIGGIE'S CLASSES FOR PRACTICAL INSTRUCTION are conducted during the two Winter Quarters--October till December and January till March.

PRIVATE TUITION BY ARRANGEMENT.

Shorthand will continue to be taught with a view to its subsequent usefulness in Business and Professionally.

In **Typewriting** special attention will be devoted to Punctuation and Capitalisation—a thorough knowledge of which is absolutely necessary in Practical Printing, and cannot longer be neglected by those aspiring to be First-Class Typists.

Esperanto.—This wonderful International Language is already used for Business and Pleasure in all parts of the world. Mr HIGGIE, being an official of the Universal Esperanto Association, is in touch with important regions all over the world, and regularly corresponds with persons everywhere---notwithstanding their different national languages.

This auxiliary language anticipates the happy time when there will be “Peace on earth and good will to men,” which is coming yet in spite of the present times of “great tribulation.” Its efficacy in tracing missing friends and making new ones was repeatedly evidenced in the recent terrible War.

Anticipating the boom in International Trading after the World War, experiments by means of inter-correspondence in Esperanto are being made by business firms throughout the world with eminently satisfactory results. It is not the tyrants but the “meek who shall inherit the earth” The blatant, self-righteous and arrogant despots have been overthrown. Righteousness is being exalted, and frightfulness loathed. The league of nations is coming, when harmony and good will shall begin become universal.

Book-Keeping.—Instruction given in Book-Keeping and other Up-to-Date Business Methods. Advertisement Writing is a Present Day Enviable Profession, and the ground-work and minutæa have long been familiar to Mr Higgle, a practical Printer.

Messrs HIGGIE & COY'S ESPERANTO PUBLICATIONS are known, read and appreciated throughout the whole civilised world. Many of the contributions are written by up-to-date foreigners.

Parish of North Bute.

THIS is the northern portion of the island of Bute. Port-Bannatyne, its principal village, is two and a-half miles from Rothesay, with which it is connected by tramway. Kames Castle, in the vicinity, is said to be the oldest inhabited castle in the country, and was the ancient seat of the Bannatynes. The village was named after that family—two brothers of whom (John and Gilbert)—received a charter from King Robert the Bruce, for services rendered at Bannockburn.

At the last census, the parish contained 449 males and 518 females, total, 1718—being a decrease of 88 since 1901, which was an increase of 150 over 1891.

THE GREAT CREATOR OF ALL made of one blood all races of Humanity on the Earth, and when we fell from the high estate in which we were created by our disobedience, Jesus Christ redeems us, his Gospel of "peace on earth and good will to men" is to be preached to every creature, and "the gates of hell shall not prevail against it." The confusion of tongues at Babel is being followed by the gift of the perfect language foretold by Zephaniah. The walls of Jericho fell before the sounding of the rams' horns at the command of Joshua, and the lingual walls which have hitherto divided the nations, need no longer, through the genius of another Israelite, prevent "all people that on earth do dwell"—whatever their creeds, colours or idiosyncrasies—from satisfactorily communicating with each other by means of

Esperanto, like ENGLISH, is made up from other languages: its roots are taken from the same jungle, but scientifically treated in a garden *pro bono publico*.

The 11th Annual International Congress was to have been held in Edinburgh in 1915, but the Great War, which prevented the holding of the 10th at Paris the previous year, was the means of causing the transfer of the 11th to San Francisco. To commemorate the opening of the Panama Canal a big Exhibition was held there, and a *Futa Pacifika Esperanto Kongreso* developed into the 11a Tuta Mondo Esperanto Kongreso.

Esperanto—the language of peace on Earth and universal brotherhood—is steadily spreading. It is much easier to learn and comprehend than any national language, and does the work of all. On the Continent during the Great War it was an incalculable blessing to Red Cross work and tracing the missing. It was a veritable open sesame to everything good. It is more easily learned than the alphabets of some languages, and as it has no politics, religion, or physical force or selfish aims of any nation, but is pre-eminently *pro bono publico*, and is peculiarly fitted for cementing and making permanent and happy the coming league of nations.

Parish of Kingarth.

THIS parish is rich in ecclesiastical history. The Irish Bishop, St Cattán, landed here in the year 439. He was uncle of the famous St Blane. The parish includes the popular village of Kilchattan Bay, which is about seven miles from Rothesay, and has regular connection by steamer and 'bus. The population in 1891 was 1062; in 1901, 1056; and in 1911, 967

We are members of the Universala Esperanta Asocio, and are in communication with Esperanto Publishing Offices throughout the World, and are consequently in a position to supply a rare selection of books.

With a view to this scientifically-evolved and easily-acquired Language becoming the means of intercommunication after the War, business people in several countries are satisfactorily preparing for "the good time coming." Britons learned Esperanto sooner than they could the Russian alphabet, and foreigners acquire a fluent use of Esperanto long, long before they can understand our words and the fickle and changing sounds of the letters of our adopted alphabet.

CHARM of the HEATHER

A SPRIG OF SCOTS HEATHER is as lightly thought of at home as a drink of cold water (of which there is more than enough to spare), but it is an inspiration and a valued reminder of the pleasantest of memories to Scots and their friends abroad.

We produced a Victory Commemoration Bookmark, which, issued privately since the Armistice, has been a very appropriate and acceptable gift among friends—old and new. We are preparing another for the peace celebrations.

Remember Friends Abroad.

While enjoying holidays remember to gather sprigs to send to friends abroad, or in response to appeals you will see in leading Scottish weekly newspapers.

We have for years sent boxfuls of heather to friends and societies abroad. We responded to one or two newspaper appeals last year, and the following is one of the acknowledgments we received :—

East London, C. P., So. Africa, 18th Dec., 1918.

Mr George Higgle, 22 Bridge St., Rothesay, Scotland.

On behalf of the East London Caledonian Society I wish to thank you for being so kind in responding to my appeal for heather, which was sold on our Patron Saint's Day, and realised the very handsome sum of £265 5/11, and has been forwarded to the fund for disabled Sailors and Soldiers. The heather was received in first-class condition, and was much prized,—Yours faithfully,

JAMES FORBES,

Convener of Heather Committee.

It is not only Scots abroad that enjoy a sprig of something that actually grew at home. The Glasgow 'Evening Times,' while the above acknowledgment was on the ocean, printed the following ;—" Flower girls in Argyll Street are making brave display with the mimosa, which comes to us from the Continent before the swallows or even the daffodils dare. It is one of the indications, after the shortest day, that somewhere the sun is shining, and that winter is waning. Australians in town are greatly cheered by the golden glory, for the mimosa is the wattle of their homeland, carrying with it the same significance as the heather to a Scot abroad."

Colonial sailors and soldiers, while on furlough in this country, have thanked us personally for sending them souvenirs of Scotland when far away; while those who are still on service have expressed their appreciation by post.

The exchange of national floral emblems will yet become exceedingly popular.

The Isle of Arran.

THIS island, the largest in the group, is famous for the grandeur of its scenery and the variety of its geological deposits. The island is twenty miles in length, twelve in breadth, and is divided into two parishes—Kilbride on the east, and Kilmory on the west. The late King Edward and Queen Alexandra spent a very pleasant holiday in the island after their Coronation in August, 1902, and witnessed interesting sheep dog trials

The Bute County Directory

is the only Publication of the kind printed and published in Buteshire. Its data is carefully compiled, and much time and attention is devoted each year to the careful investigation and noting of the necessary alterations in the personnel of the occupants of public offices, the correct addresses of the general inhabitants, and the latest changes amongst those engaged in trade.

The earliest publications connected with Rothesay were Directories, and they are interesting reading even at this time of day.

Our publication not only includes the Burgh of Rothesay (where it has long been most appreciated), but embraces the whole County of Bute (from which more interest is solicited.)

Owing to the increased prices of material and wages, we have been compelled to raise our tariff with this issue.

THE MIRACULOUS GIFT OF TONGUES, on that memorable Pentecost, after the Resurrection—when the Disciples met, with one accord, in one place in Jerusalem—caused very much amazement, which the unco-wise attributed to intoxication (!) The Apostles then preached the Gospel to persons from “all nations under heaven” in the languages of the countries from whence they came. Read the description in Acts II.

ESPERANTO is also a wonderful means of inter-communication among the nations, and more suited to the enlarged knowledge and increased human activity of the present time, with its wide outlook and inviting potentialities. The blind and dumb, as well as the seeing and hearing, can now intelligently speak and write to all who believe, and act upon the belief, of the fraternity of the human race. It is like an ordinary electric current running through all who join hands. It does away with the necessity for learning foreign languages. Its coming, its purity and its blessed efficacy are foretold in Holy Writ. Though it is not named, its sources, and the nationality of its inventor, are clearly indicated. It is as free as the air we breathe, and owes its origin and propaganda to no creed, craft or physical force, but it is going to bring the human race together as a happy family, and work together in harmony like a well-balanced choir. Read Zephaniah III, 9; and Zechariah VIII, 23.

The five Books of Moses, the Psalms of David, the Proverbs of Solomon, and remaining portions of the Old Testament have been translated by the inventor (Dr Zamenhof, a Polish Jew), and others, and printed; while the New Testament has been printed by the National Bible Society of Scotland, and the British and Foreign Bible Society, and circulated and read in every civilised country in the World.

The Almighty Creator and Preserver overrules all things for His glory and the well-being of His creatures. “Let us make a chain.”

More than the Bible foretell the Good Times Coming.

ESPERANTO HOLIDAY-MAKERS'

FIRST EXCURSION TO SCOTLAND.

—o—

After the 3rd International Esperanto Congress—at Cambridge. England in September, 1907,—the members had excursions to London, Scotland and Wales—each full of interest, and long to be remembered by those who took part in them. The coming "World's National Anthem," ("Estintaj Tagoj,"—"Auld Langsyne,") was sung (in Esperanto, of course), at the Congress, before dispersing. While enjoying a pleasure sail in one of the many pleasure steamers round the Island of Bute, the "samideanoj" from other lands had the great delight of singing this Scots song in the original Doric tongue, in which it was composed by the Poet Burns in the 18th century. The Scots words were printed by means of Esperanto letters.* The music was supplied by a band aboard, and the chorus, particularly, went off with a "go" that astonished the Scots. (Very few knew that the song had been sung at the Congress—in the *lingvo internacia*). This is not the only Scottish song translated into Esperanto. Not to go outside the limits of these 70 visitors, representing eight nationalities, they heard "Sweet Rothesay Bay" sung while admiring that beautiful scene, and were each presented, by Mr Geo. Higgle, with a picture post card, on which was printed, in Esperanto, a translation, by Mr Ernest B. Smith, M.A., Glasgow, of the well-known eight lines beginning—"It's a bonnie bay."

These "alia-land-anoj" only touched at three places in Scotland, viz. Edinburgh, Glasgow and Rothesay. They were heartily welcomed. No one in the happy party was looked upon as a foreigner, tho' most had never been in Britain before, few of the southrons had been so far north, and the pronunciation of the Gaelic place-names was a puzzle to all. Another pleasant feature of this enjoyable "ekskurso," was a competition as to the best pronunciation of the word "Tighnabruaich," (a pier called at in the circumnavigation of Bute), by means of Esperanto letters." After the visitors had returned to their native lands, several, in expressing special thanks for the courtesies extended, took occasion to write that the *original* words of "Auld Langsyne" were still ringing in their ears.*

Esperanto is like an up-to-date perfectly kept garden, where root-words of other languages, transplanted from their jungle, are scientifically made intelligible for the universal use of all human beings.

*The English language could be as easily acquired through the phonetic alphabet.

THE BUTE COUNTY DIRECTORY

This DIRECTORY now-a-days contains the information distinctive of both the DIRECTORY and the ALMANAC of past years. The BUTE DIRECTORY, although very useful to the fluctuating visiting population, is not necessarily a fine-weather publication, but a hardy permanent annual.

Our aim, in this publication, is not to record the passing names and achievements of visitors and those who come to cater for them, but something of far greater importance—the registering of the names, standing, and businesses of the resident population—for the information of all having an interest in Buteshire, its burghs and rural districts.

The Directory is, of course, not only for the remaining portion of the year in which it is issued, but continues the only printed reference book for the county of Bute until its successor appears.

One edition of the Directory is no sooner off than we begin to note alterations (and prepare for probable additions) for the next—so that it may be thoroughly up to date. These alterations and probable additions lie at our office, and are at the service of our customers

Will Secretaries of societies, etc., connected with Buteshire, who do not already do so, please remember to forward to us particulars of their institutions, annual reports and lists of office-bearers, as information for the next issue?

This Directory is not only found all over Buteshire, but in the libraries and other places of public resort in “the adjacent islands of Great Britain and Ireland.”

The Popularity of Higgie's Scots Publications.

Typical letter from abroad :—

MONTREAL, July 29th, 1913.

"I was shown a copy of your publication, 'Bonnie Scotland's Resorts, while up country, and am desirous of possessing a few of those interesting books; so realistically depicting places I have visited, and 'brither Scots.' . . Kindly inform me if such can be procured in this country or U.S.A., and, if so, where? I would not mind going 500 or 600 miles to get a few of your small books—so full of interest to the fellow Scot men I come in contact with here. . . The party who showed me their copy had it for years. I shall be glad if you let me know if you issue other Publications along the same lines as the A B C 'Resorts of Scotland.'"

Messrs HIGGIE & Co., Rothesay.

**Generous Terms to Scottish Societies throughout
the world**

These Publications are appreciated by intelligent persons outside Scottish connection, and we sent, direct from our head office, copies of BONNIE SCOTLAND'S RESORTS, &C.,

to the Red Cross Hospitals in Scotland,

giving a welcome to the brave Sailors and Soldiers who had been fighting in the Great War for Peace on Earth and Good Will to Men, and we received many thanks for our consideration.

THE INTERNATIONAL LANGUAGE.

This international language, **ESPERANTO**, having emerged through indifference, ridicule, opposition and rivalry, and its practical usefulness been repeatedly demonstrated, some information regarding its present position may not be uninteresting to the general public—for whose benefit it is intended, and that fact is proved wherever tried.

Esperanto Congresses have been held annually since 1905 at Boulogne-sur-Mer, France; Geneva, Switzerland; Cambridge, England; Dresden, Germany; Barcelona, Spain; Washington, U.S.A.; Antwerp, Belgium; and Cracow, Polish Austria. The ninth met in 1913 at Berne, Switzerland; while the 1914 Kongreso would have been held in Paris but for the intervention of the world war; and Bonnie Scotland was fixed for the 1915 rendezvous. The world will, it is to be hoped, soon be purged from the subtle and arrogant military hatred, greed, "kultur," and "frightfulness;" but the set-back will pass away, and humanity will yet see the Sun of Righteousness arise with healing in His wings, and the promised peace on earth and good-will to men shall reign "where'er the sun doth his successive journeys run."

These international assemblages have increasingly led, and in the future will more and more increasingly lead, to post Congressional Excursions throughout the land chosen for the annual rendezvous.

Besides these annual international Esperanto Congresses, there are national gatherings in many lands, and local social meetings galore. The young and vigorous Universala Esperanto Asocio has had five annual Congresses: the first was most appropriately held in Europe, but in America it simultaneously had a demonstration. The Universala Esperanto Asocio is a thoroly practical institution. Thro' its widely-circulated fortnightly newspaper, and its delegates, vice-delegates and sub-delegates, consuls, Esperanto offices, enterprises and associations represented in many cities and towns of different lands, it manages departments for scientific research, and the many forms of business and social intercourse among the inhabitants of all nations. Besides these rapidly growing activities, there are the organisations of the individual national societies, with their hundreds of periodical publications and translations of standard works into the key language—which anyone may understand and enjoy.

Annual meetings of Esperantists have been held in many countries during the Great War, at which sam-ide-anoj from other lands were welcomed, but no Internacia Kongreso was held since 1915—when, at San Francisco, in connection with the opening of the Panama Canal, the Tuta Pacifiko became La Tuta Mondo Kongreso.

The country (i.e., France) whose language is adopted for international diplomacy is leading in its propaganda of this language—the common and direct bond of reciprocal communication between all willing members of the human family. GEO. HIGGIE, Deligito, U.E.A.

Several newspapers on the Continent, the British Isles, the Colonies and the Americas, regularly print Esperanto articles with a translation, for the benefit of their readers. The following is from the "Stirling Sentinel" of 5th March, 1907, being the translation of a recently-received post-card, containing a spontaneous appreciation of what has the distinction of being the first national guide-book in the international language.

"To Messrs HIGGIE & Co., Publishers in Rothesay, Scotland.

Esteemed friends, — An unforeseen opportunity has allowed me to read through the brochure published by you about Bonnie Scotland in the Esperanto language. This little book I have read several times: by its description of Scotland it has afforded me much pleasure: by it I have begun to know your beautiful country — the character of the people of Scotland, its manners, its religion. I have begun to know about the degree of Scottish civilisation, about its superior literature in science and art, its communal organisations, such as banks and public offices: about Scottish industry, and many other things. Heartily thanks to you, gentlemen, for so beautiful publications in the Esperanto language. By such a work you prove that Esperanto is useful for international relations, and for a fraternisation of the peoples of divers nationalities.

I triumph now for the success of Esperanto, but before I had to bear much for its name. People have mocked at me, blamed me, annoyed me, and even insulted me, but I bore everything obstinately, and preached our idea. I am no longer mocked at: I am praised. Accept from me, worthy sirs, my sincere greeting."

Russia, 1906.

T. E. MOSKOVČENKO.

This shows how thoroughly practical Esperanto is, and what a beneficial and international future it has before it. The above is not a rarity to Messrs Higgie and other Esperantists, but an ordinary occurrence. An Esperantist has the whole world — irrespective of belief, language or country — before him, and all desire better acquaintance.

Multaj ĵurnaloj en Eŭropo, Britaj Insuloj, la Kolonioj, kaj Amerikaj landoj, regule enpresas Esperantajn verkojn, kun traduko por siaj legantoj. La sekvanta eltroĝo el la "Stirling Sentinel," de 5a Marto, 1907, estas la traduko de antaŭ ne longe ricevita poŝt-karto, enhavanta propramovan ŝatesprimon pri tio, kio havas la distingigon esti la unua nacia gvid-libreto en la lingvo internacia.

"Al Sinjoroj HIGGIE kaj Ko., Publikigistoj, en Rothesay, Skotlando.

Estimataj Samideanoj,

Ne antaŭvidebla okazo permesis al mi tralegi libron eldonatan de vi pri Belega Skotlando ('Bonnie Scotland's Resorts') en lingvo Esperanto. Tiun ĉi libron mi legis kelkfoje; ĝi, per sia priskribo pri Skotlando, liveris al mi multan plezuron; per ĝi mi bone ekkonis vian belan landon; mi ekkonis karakteron de popolo skotlanda, ĝiajn morojn, ĝian religion; mi eksciis pri la grado de civilizacio skotlanda, pri ĝia literaturo, pri scienco kaj arto; pri komunaj organizaĵoj, kiel bankoj kaj poŝtoj; pri skota industrio, kaj pri multaj aliaj. Koran dankon al vi, sinjoroj, por tiel belaj eldonoj en lingva Esperanto. Per tia eldono vi pravas ke Esperanto estas utila por internaciaj rilatoj kaj por fratiĝo de diversnaciaj popoloj.

Nun mi triumfas pri tiaj sukcesoj de Esperanto, sed antaŭe mi multe toleris de ĝia nomo. [Oni] min mokis, mallaudis, ĉagrenis, eĉ insultis, sed mi obstine ĉion toleris kaj predikis nian la ideon. Nun, mi jam ne estas mokata: mi estas laŭdata.

Prenu de mi, honorindaj sinjoroj, mian sinceran saluton

Ŝt Raŭni, Lesovije, Ŝpinkov, Podolskoj gub., Rusujo."

T. E. MOSKOVČENKO.

Tio montras kion plenege praktika Esperanto estas, kaj kiel profitas kaj internacia estonteco estas antaŭ ĝi. La suprecitata al Sroj. HIGGIE kaj aliaj Esperantistoj estas malofita, sed ordinara okazo. Esperantisto havas la tutan mondon antaŭ si — rilato al kredo, lingvo aŭ lando — kaj ĉiu deziras esti pli bone konata reciproke.

JAPANA ŜATECO. — JAPANESE APPRECIATION.

Tokio, Japano, 25an Dec., 1907a.

Al Sinjoroj Higie kaj K-io., Rotseo, Skotlando.

Altestimataj Sinjoroj, — Ni ricevis vian boavolan donacon el ŝatindaj libreto "Belega Skotlando" kaj belega ilustraĵaro "Skotlanda Pejzaĝo," pro kiu ni tutkore dankas vin. Tiuj viaj eldonoj tre plaĉas al ni, ne sole pro la belaj vidaĵoj enhavataj; sed ankaŭ tial, ke via belega lando, laŭ vi, tre similas je nia lando de la Sunleviĝo. Oni diras, ke Japanujo estas la "Svisujo de la Oriento;" sed ni pensas, ke la Svisa pejzaĝo devas esti el kontinenta karaktero, dum Japanujo estas insula lando same kiel via; tial pliĝuste oni diru ke Japanujo estas la "Skotlando de la Oriento." La Skotlando en la Oriento ankaŭ havas multe da vidaĵoj nekonataj de la mondo. Ni volas sekvi vian ekzemplon, dank' al vi, okaze de la malfermo de la Granda Ekspozicio en Tokio en 1912a, kiam ŝajne granda amaso da frenduloj alvenos tien ĉi. Ni disdonos vian libretojn inter niaj grupoj kaj asocioj, kiuj same kun ni ŝatos ilin.

Ripetante esprimon de niaj dankoj, kun plena saluto, kore via,

T. ĈIF, red. de "Japana Esperantisto."

To Messrs Higie & Co., Rothesay Scotland. Tokio, Japan, 25th Dec., 1907.

Highly esteemed Sirs, — We received your good wishes and donation of prizeworthy booklets, "Bonnie Scotland" in the Esperanto language, and beautiful illustrations of "Scottish Scenery," for which we heartily thank you. These publications of yours are very pleasing to us, not only on account of the beautiful views contained in them, but also for the reason that your beautiful land, according to you, is very similar to our "Land of the Rising Sun." They say that Japan is the "Switzerland in the Orient,"

but we think that the Swiss Scenery must necessarily be of a continental character, while Japan is an insular land similar to yours, therefore it would be more correct to say that Japan is the "Scotland in the Orient." The "Scotland in the Orient" has also many views unknown by the world. We wish to follow your example, thanks to you, by publishing a book of views of Japanese Scenery, on the occasion of the opening of the Great Exhibition in Tokio in 1912, when seemingly a large throng of foreigners will come thither. We will distribute your booklets sent us among our groups and association members, who, similarly to us, will prize them. Again expressing our thanks with full salutation, heartily yours,

T. CHEEF, Ed., "Japanese Esperantist."

ĈILIA ŜATECO.—CHILIAN APPRECIATION.

En malproksima Ĉili, Profesoro LUIS ENRIQUE SEPULVEDA CUADRA, oficero d' Academie, aŭtoro de "Biographia Esperantista o Progresos del Idioma Internacional," en la "Actes de la Société Scientifique du Chili," ŝatas la Esperantajn Eldonojn de Sinj. Higie kaj K io, en sia literatna kolekto.

[Translation.]

In distant Chili, Professor [see Spanish above] treasures Messrs Higie & Co.'s publications in his literary collection.

ŜATATA ĈIF.—APPRECIATED EVERYWHERE.

Inter tiuj ekstremejoj, alte komplimentaj komunikoj estas ricevitaj kaj ricevataj de Sinjoroj Higie kaj K-io.

Between these extremes, highly complimentary communications have been and are still received by Messrs Higie & Co.

GENERAL BUILDINGS, ALDWYCH, LONDON.

Established 1885.

DO YOU KNOW THAT

IN consequence of the War, the cost of building material and labour has increased nearly 100 per cent. All owners of Property should therefore increase their Fire Insurances; this they can do at little or no extra cost by taking a Fire Bonus Policy with this Corporation, and thus affect a saving of 20 per cent. of each premium.

A few comments on 1918-19 issue.

The Commercial Library, 21 Miller Street, Glasgow.
18th July, 1918.

Messrs Higgin & Co., Publishers, Rothesay.

We have to thank you for the copy of the Bute County Directory, addressed to the Stirling Library. Since November, 1916, all Directories have been transferred to The COMMERCIAL LIBRARY, 21 Miller Street. This library has been established for the use of business men, and, as since its opening, we have had over 49,000 visitors, more than one-third of whom consulted the Directories, you will appreciate the publicity your Directory obtains.—Yours faithfully JNO PHILLIPS Librarian.

That now old-established annual, "The Bute County Directory," has just been published for 1918-19 by Messrs Higgin & Co., Rothesay. No fresh commendation is required of a publication whose usefulness is so widely recognised. The county and burghal information, the agricultural and fishery statistics, and the lists of public officials and society office-bearers and traders are as complete and accurate as in the preceding issues—the only difference from which is that the lists of householders have, on this occasion, been omitted*. This saves paper, which is a scarce and valuable commodity in these days. Messrs Higgin point out that the early official publication of the new voters' roll will supply the want of the private list.—Evening Times, 19th July, 1918.

As a compendium of information about the county of Bute, the admirably-completed little annual, the Bute County Directory, issued by Messrs Higgin & Co., publishers, Rothesay, has always borne a high reputation, and the latest issue—for 1918-19—shows no diminution in interest and value. The contents include county and burghal information, anniversaries, etc., agricultural and fishery statistics, lists of public officials and society office-bearers and traders, and a host of other items connected with the county. The cost is still one shilling†.—Ardrossan and Saltcoats Weekly Herald, 26th July, 1918.

The new edition for 1918-19 of this useful local manual has just been issued by Messrs Higgin & Co., Rothesay. The county and burghal information, lists of public officials, society office-bearers and traders is as complete as formerly, the only difference being that on this occasion the list of householders is omitted*. The early publication of the voters' lists will, however, remedy the omission.—Buteman, Aug. 2, 1918.

The Bute County Directory for 1918-19 came to hand last week. Despite all the disadvantages of paper shortage and labour scarcity, Messrs Higgin, the publishers, seem to have kept the publication as full as formerly*. It contains lists of all the public bodies and officials in the various parishes of Bute, besides a trades directory for Rothesay, North Bute and Cumbræ. We have often said that the Directory must be found invaluable by all who have any connection with the county, and we can only repeat the statement. Besides the information we have referred to, there is the usual calendar with all the outstanding local anniversaries mentioned. The price remains, as in former years, at the modest shilling†.—Largs and Millport Weekly News, 3rd August, 1918.
